EXPERT CARPET CARE & SPECIALTY CLEANING

No matter what your cleaning needs, ACR has the package for the service you require. ACR also provides expert stain and odor removal services to keep your carpet looking great year after year! And, Chicagoland's most professional and courteous technicians will make your cleaning experience a pleasure.

Green Cleaning

ACR is now offering a green cleaning option with any of our carpet cleaning packages! We'll use specialized green cleaning agents that are formulated for people with allergic illnesses and chemical sensitivities. A safe and effective process for everyone including children and pets.

Allergy Relief Cleaning & Treatment Services

This cleaning system inactivates dust mite and pet allergens, offering tremendous relief for people that suffer from allergies and asthma. It's completely safe, works for up to 6 months, and comes with our Symptom Relief Guarantee.

OTHER SPECIALTY SERVICES

Upholstery Cleaning

ACR has the true expertise that only years of training and experience can offer. We provide highly skilled cleaning of all upholstery fabrics from the most durable to the most delicate. ACR also offers specialized protectors for furniture that counteracts spills, dry soils and UV fading.

Stone, Tile & Grout Care

Keep your stone, tile and grout clean and looking their best. Our highly trained technicians use specialized equipment and systems to clean, seal and protect even the most challenging stone, tile and grout floors, counters and walls.

Oriental & Area Rug Care

With over 50 years of combined experience, we provide excellent care for the finest Oriental rugs as well as contemporary area rugs. Choose convenient pick-up and delivery or take advantage of our "You Schlep, You Save" program and **SAVE 20%!**
